## PRESS RELEASE

### U.S. AMBASSADOR TO ITALY AND SAN MARINO MEETS WITH REPRESENTATIVES OF ASSET MANAGERS OPERATING IN THE ITALIAN CAPITAL MARKET

*Assogestioni held a discussion with His Excellency Jack Markell today at its offices in Milan. The focus of the dialogue was the state and prospects of the asset management industry and the future of the capital market in Italy and Europe*

A meeting between His Excellency Jack Markell, U.S. Ambassador to Italy and San Marino, and representatives of asset management companies operating in Italy was held today at the Milan office of Assogestioni, the Italian investment management association.

**Carlo Trabattoni**, Chair, Assogestioni, said: *"It was an honor for myself and some representatives of the investment industry in Italy to speak today with Ambassador Markell about the investment landscape in Italy. The Association is dedicated to promote a strong culture of investment in Italy and to foster a market with excellent opportunities for Italian institutional and retail investors. This meeting confirms the relevance of the Italian asset management industry in the global context".*
